## A Note from Ms Lori-Ann

**H** *“Hands and Feet to yourself”*

Happy New Year!! It’s great to be back at work with the Children. My HOPEs are that you took some time during Winter Break with your child on your lap, just enjoying him or her. I look forward to seeing their continue success. We have a lot of fun ahead of us, along with more Fund Raisers.

HOPE Community Center is glad to have Mary Williams Senior Center temporarily renting Building A. In know way will this interfere with the HOPE4KIDS program. They operate Monday-Thursday 10-2pm. My hopes in the future are to have the children and seniors do project together, weather it’s reading, crafts or chit chat.
